Township _____ Section _____

POLLINATOR HABITAT ESTABLISHMENT RATES:

Rates are based off the federal MN EQIP (Environmental Quality Incentive Program) Cost Share Rate for Conservation Cover (327) at \$648.81/acre.

- *This rate includes:*
 - *Seedbed Prep & Seeding*
 - *Practice establishment after planting grasses; chemical and/or mechanical fertilizer/minerals*
 - *Pollinator habitat seed mixture*

TOTAL ACRES: _____ X \$648.81 = **TOTAL ESTIMATED COST:** \$ _____

COST SHARE ASSISTANCE:

Up to 75% not to exceed \$500, whichever is less.

West Polk SWCD Board of Supervisors reserves the right to set the cost share amount per request/contract.

NOTE: *Pollinator Habitat Plantings in West Polk County will be evaluated and approved by SWCD staff prior to installation.*
